TAKING STEPS TOGETHER FOR FUTURE SUCCESS

Hertfordshire Local Enterprise Partnership is now delivering The Careers & Enterprise Company Programme in the county. Its ambition is to:

- **INSPIRE AND PREPARE YOUNG PEOPLE FOR THE FAST CHANGING WORLD OF WORK**
- **SHAPE THE FUTURE WORKFORCE TO MEET YOUR BUSINESS NEEDS**

IN ORDER TO TURN THIS AMBITION INTO REALITY WE NEED YOUR HELP

We are now recruiting senior leadership volunteers from the local business community to act as Enterprise Advisers to engage with schools and colleges.

The key benefits for your business are:

- to belong to a local network committed to resolving skills issues
- to tailor the development of your current and future employees
