

Constructing Excellence Awards Entry Form

Category Description

Integration and collaborative working are key to overcoming challenges, managing risk and delivering better outcomes. We are looking for projects and practices that exemplify this approach with evidence of how all parties have been engaged, from clients to contractors and all across the supply chain. Applicants must demonstrate the benefits that have been achieved through a collaborative and integrated working.

Judges are looking for projects or initiatives that demonstrate:

- Better decision making through effective collaboration.
- Use of collaboration to overcome challenges and manage risk.
- Use of collaborative delivery models.
- Early supply chain involvement.
- Clear supply chain strategy and good supply chain management.
- Fair supply chain practices.
- Prompt payments.
