

# Residential Project of the Year

## Constructing Excellence Awards Entry Form

---

### Category Description

The Project of the Year category celebrates inspirational projects that deliver outstanding outcomes. We are looking for projects that exemplify the Constructing Excellence principles, which fully align with the collaborative work we are undertaking with the Construction Leadership Council. Projects must demonstrate the successful implementation of better ways of working and so help to provide a template for others to learn from.

Judges are looking for projects that demonstrate:

- Commercial practices that reward and incentivise the supply chain through collaborative procurement and delivery and fair payment practices.
- High levels of productivity and a rigorous approach to measuring performance.
- A robust digital strategy, embedded within the project.
- A positive culture that embodies respect for people and an excellent approach to health safety and wellbeing.
- High levels of sustainability including demonstrable actions to cut carbon.
- Strong commitment to social value.
- A drive to change the culture of the industry.
- Adherence to the principles of the Building Safety Act and implementation of the Golden Thread
- Excellent levels of client satisfaction, delivering against client outcomes and expectations
